## OUR NEPAL OFFICE

Different forms of business expansion include opening in another location, adding experts, technical & general employees, increased marketing, forming an alliance, offering new sectors or services, entering new fields, merging with or acquiring another business, expanding globally and expanding through the internet. Our business strategy especially in transportation sector include green filed development for railway link, shipyard, road, highway, and bridges. As of today our strong footing of urban planning, we did our office space expansion through an official inauguration in presence some media people and intellectual celebrity.

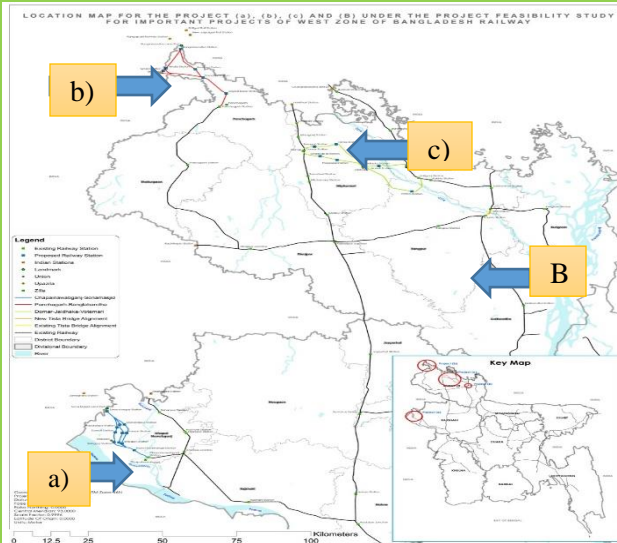

**JPZ Consulting (Bangladesh) Limited's** international experience spans over 15 years of working in Malaysia and more recently in Thailand, Nepal and India.
